

## Wish List for Toy Lending Library

Did you know that the Loft Children's Library offers a toy lending library?

In partnership with Hand Print Kids, a local kids' occupational therapist, the Loft Children's Library lends toys to families as part of the pediatric occupational therapy program running weekly out of The Salvation Army church. These toys help kids work on developing skills and promote engagement with parents and family fun.

Please support this amazing partnership between The Salvation Army and Hand Print Kids by donating new or gently used toys from the list below to the Loft Library. Donations can be dropped off at the church office on Sundays (9:30-11am) or during weekly office hours (Monday-Friday, 9am-12pm; 1-4pm).
